Press Release

CURBSIDE SERVICE ALERT

“Due to the projected winter weather conditions Waste Management has chosen to suspended curbside trash/recycling services for one day.”

Lowell, MA, Sunday, February 8, 2015: In light of the 12 plus inches of snow anticipated to fall during the AM commute and lasting all day, Waste Management (in conjunction with Lowell DPW) has chosen to SUSPEND curbside trash/recycling collection for one day!

There will be **no curbside services on Monday February 9th**. Upon return, Waste Management will collect curbside trash and **GREEN**-lid recycling carts, on a Holiday Schedule.

Collection will resume at 7 AM on Tuesday, servicing Monday routes on a one day delay. Subsequently Tues, Wed, Thur. & Fri. routes will also ‘bump’ one day.

Updated collection interruptions are posted at www.LowellRecycle.org and on the SW&R Hotline (978-674-4309); customized messages can be received by downloading the FREE **LowellRecycle** smartphone App.

Weather Delay - Schedule.

Monday 2/9/15 No Collection...

- Monday trash/recycle Routes... will be collected on Tuesday 2/10
